MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : Breakdown of Senior Officials

Bill :

Attached are a couple of sheets which break out "senior" officers in the number of different ways. In a gross sense what they say is that if the Director elects to talk to the people filling the most senior positions in the Headquarters area, he will address [ ] while if he drops to Division (CS Branch) Chiefs the number goes up [ ]. If he should limit the talk to supergrade officers the most senior number becomes [ ] and the number, including Division (CS Branch) Chiefs, drops [ ]. Should he wish to speak to all supergrades assigned to Headquarters area, he would see some [ ] people.

If he should decide to speak to groups set up on a basis of common interest in geographic or substance, we would have to do some additional figuring after knowing the governing criteria. After the auditorium, which will handle some 500, [ ] could accommodate 100, in [ ] some 75. Existing conference rooms and small theaters would be able to take groups from 50 on down.
